Okay – will the comment period still be 8/26-10/10? Even if you post tomorrow?

Thanks. I have not yet given Adele the go ahead for the local papers which once triggered will authorize them to publish asap in their daily/weekly papers.

I will be back in touch before you go.

Only until 3:00 today but if you're certain it will happen and nothing will change on the release I can schedule it to go out a certain time. If the public notice got published in local papers then I think it's okay too if we issue the release tomorrow am.
